### Best Practice: Training and Placement Initiatives

#### Objective:

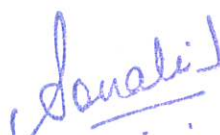

1. To expand opportunities for our students for training and placement.
2. To explore national and International Brands for the Internship and Placement.
3. To find newer avenues in new geographies for our student's exposure to kick-start their careers
4. To introduce the culture of sustained weekend skilling

**Context:** The Institute has a robust placement cell and has actively worked towards a good placement opportunity for our students. Training and Placement team consistently tries to raise the bar of opportunities for our students. In our Endeavour to provide students with global exposure, we have been working various consulting organizations.

**Practice:** Following are the major activities/components of Training & Placement Cell

1. Career Counseling is carried out for the students to understand their preference of department and Hotels.
2. Value Added courses as **Impress your Way** are organized specially for the students for not only improving their Communication skills but also to prepare them for placement interviews.
3. MOUs are signed with the Industry not only for internships or placements but also International Universities collaboration for student's progression.
4. International Internship opportunities are available for the students. Direct Recruitment is done for our students by Gaylord's Texas, Fairmont Grand Del Mar, USA, Gaylord Rockies Auberge Du Soleil and the Address Boulevard and The Address Dubai Mall.
5. New Zealand was explored for the first time, where 9 students went for their internship.
6. Weekend Skilling program, which was initiated to provide students with hands on training and job opportunities in esteemed restaurant brands, over weekends.
7. Training & Placement cell also ensure that students are placed in top notch hotels as The Leela Palace, Udaipur, for their internships.
