Dr. Sonali Jadhav

It gives me immense pleasure to introduce the fresh graduates of our Hotel Management program, now ready to step confidently into the dynamic world of hospitality. Through rigorous academic learning and meaningful practical exposure, they have grown into skilled, disciplined, and industry-ready professionals.

I sincerely thank our dedicated faculty members for their unwavering commitment, guidance, and mentorship. Their blend of knowledge and practical insight has shaped our students into confident hospitality professionals. I also extend heartfelt gratitude to our Training and Placement Cell for tirelessly bridging the gap between education and industry, ensuring our graduates are well-prepared for successful careers.

Our institution believes in nurturing not just qualified individuals, but capable leaders who are ready to face real-world challenges with confidence and integrity.

Success is built on consistency, dedication, and passion – values we proudly instill in every student.

Warm regards,

Dr. Sameer Diwanji

Our comprehensive training initiatives are carefully designed to ensure you are well-equipped with the skills and knowledge demanded by today's ever-evolving professional landscape. The curriculum strikes a perfect balance between theoretical learning and practical application, preparing you to confidently face real-world challenges.

Workshops, seminars, guest lectures by industry experts, internships, and industrial visits provide valuable exposure and bridge the gap between classroom education and industry requirements. These hands-on experiences not only enhance employability but also deepen your understanding of your chosen field.

When it comes to placements, our college takes pride in fostering strong relationships with reputed companies. Our campus placement process is not just about securing jobs – it is about finding the right fit for your unique skills and aspirations. We ensure seamless interaction between students and prospective employers so that your talents are recognized and appreciated. In conclusion, our Training and Placement program is a gateway to a world of opportunities. Embrace every learning experience and seize every chance to grow, because your future begins with the effort you put in today.

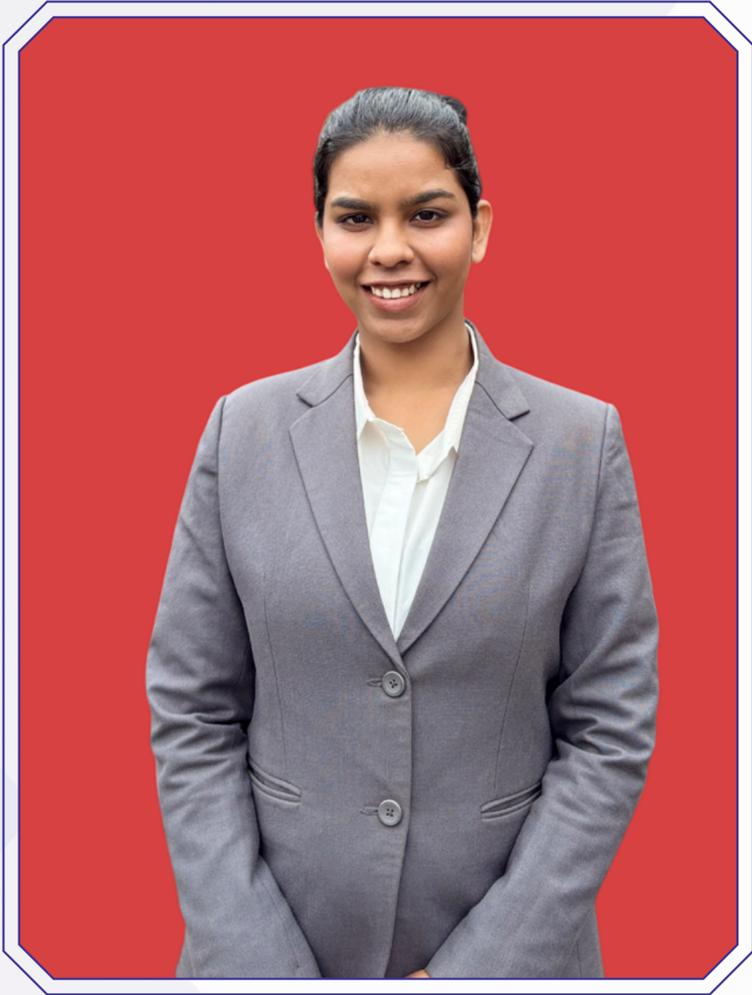

Sanhita Ramteke

AISSMS College of Hotel Management and Catering Technology, Pune
Sanhita Ramteke is a final-year hospitality student and manager in training at AISSMS CHMCT, Pune. As an active member of the college's cultural team, she has hosted several events as an anchor, which helped her build strong communication skills and confidence. She completed her internship at La Estoria, IHCL SeleQtions, Goa, where she worked as a Front Office Assistant. The experience enhanced her understanding of guest handling, coordination, and professional service standards. Sanhita aspires to work with leading hospitality brands such as Taj, Oberoi, and Marriott, and aims to gain international exposure by working with world-class cruise lines in the future.

Bhavesh Ashok Burkonde

AISSMS College of Hotel Management and Catering Technology, Pune
Bhavesh Ashok Burkonde is a final-year hospitality student and manager in training with a strong interest in Front Office operations. He completed his industrial training at Outrigger Mauritius Beach Resort, where he worked as a Head Waiter in the Food and Beverage department, gaining international exposure and leadership experience. Bhavesh aims to work with reputed brands such as Taj, Oberoi, Marriott, and Accor before pursuing a Master's in Hospitality Management. His long-term goal is to become a Front Office Operations Manager and eventually gain experience with global cruise lines. He believes that failure is a lesson that drives success and growth.

Joicy Valvi

AISSMS College of Hotel Management and Catering Technology, Pune

Joicy Valvi is a final-year hospitality student known for her creativity and dedication to the culinary arts. Her college journey has been deeply enriching, helping her grow academically and personally while developing teamwork and leadership skills. She completed her industrial training at FLOW – Cocktails & Cuisine, Baner, Pune, where she gained hands-on exposure to restaurant operations and guest service. Joicy aspires to gain industry experience with leading brands such as Taj, Oberoi, Marriott, and Hyatt before expanding her own home-baking venture, The Jar and Bites, into a full-fledged dessert brand. She aims to blend professional skill with innovation to offer memorable dessert experiences.

Aishwarya Sandeep Kolte

AISSMS College of Hotel Management and Catering Technology, Pune

Aishwarya Sandeep Kolte is a final-year hospitality student at AISSMS CHMCT, Pune, who describes her overall college experience as highly enriching and rewarding. She completed her six-month industrial training in the Kitchen Department at Kempinski The Boulevard, Dubai, where she gained valuable international exposure and developed a strong foundation in culinary operations. During her training, Aishwarya honed essential skills such as time management, communication, problem-solving, and teamwork. She aims to build her career in Dubai's luxury hospitality sector and continue working with reputed international brands like Kempinski, Taj, and Marriott. Her professionalism, adaptability, and passion for continuous learning make her a promising future chef in the global hospitality industry.

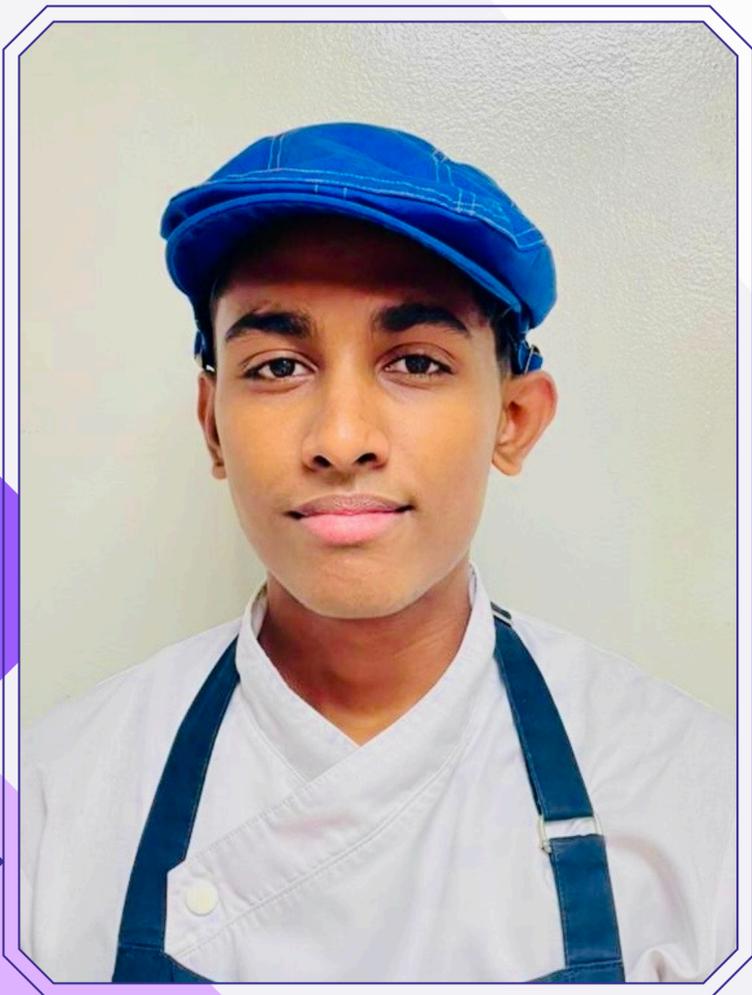

Atharva Musale

AISSMS College of Hotel Management and Catering Technology

Atharva Musale considers his time at AISSMS College of Hotel Management and Catering Technology, Pune, transformative, helping him build confidence and independence. His industrial training at Le Méridien gave him valuable international exposure and strengthened his hospitality skills.

He aspires to work with leading brands like JW Marriott and Hyatt to enhance his operational and managerial expertise. His calm nature and problem-solving ability make him a strong team player.

Deepankar Gosavi

AISSMS College of Hotel Management and Catering Technology

Deepankar Gosavi is a passionate and disciplined culinary student who has developed a strong foundation in the culinary arts. His college experience strengthened his communication, teamwork, and leadership skills through rigorous kitchen training and academic projects. During his industrial training, he gained comprehensive exposure across various kitchen departments, including hot and cold sections, IRD, and breakfast operations.

He aims to work with Michelin-star restaurants and leading hospitality brands such as Marriott International, Hyatt, and Accor, before eventually launching his own restaurant that blends global influences with innovative cuisine. He thrives under pressure and values both creativity and consistency

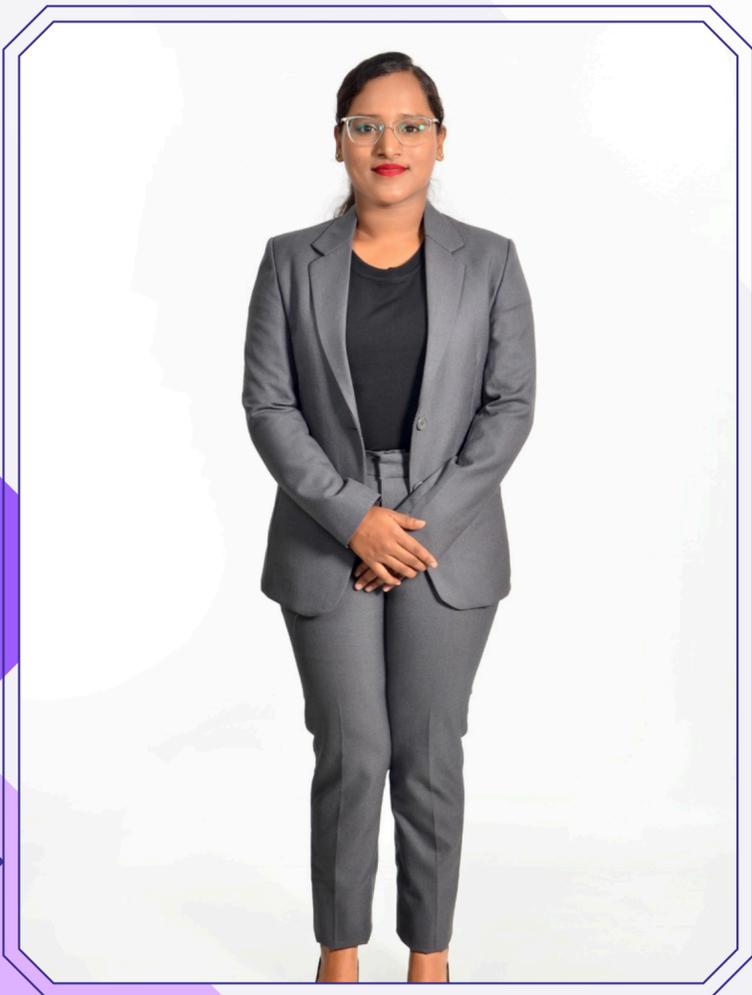

Manasi Devendra Gosavi

AISSMS College of Hotel Management and Catering Technology

Manasi Devendra Gosavi describes her journey at AISSMS College of Hotel Management and Catering Technology, Pune, as rewarding and full of growth. Through her coursework and practical training, she developed strong hospitality skills, professionalism, and adaptability. Her industrial training provided valuable real-world exposure and strengthened her ambition to build a successful career in the hotel industry.

She aims to secure a well-established position where she can refine her abilities and contribute to organizational success. Manasi aspires to work with the Taj Hotels and believes that discipline and dedication are the keys to success

Siddhi Sawant

AISSMS College of Hotel Management and Catering Technology

Siddhi Sawant describes her college experience as transformative, providing her with exposure to both academic and professional excellence. Her industrial training offered valuable insights into real-time hotel operations, enhancing her confidence and service standards.

She aspires to build her career with reputed hotel chains such as The Oberoi Group, Taj Hotels, and ITC Hotels. With her enthusiasm for learning and adaptable nature, Siddhi continues to grow as a well-rounded professional who believes passion and discipline are the keys to success in hospitality.

Aditya Gogate

AISSMS College of Hotel Management and Catering Technology

During the academic journey, strong skills in multitasking, team bonding, and time management were developed through practical training and industry exposure. A notable achievement was securing 3rd prize at the WICA Nestlé Young Chef Competition, showcasing culinary talent and dedication. Industrial training was completed at LUX Grand Gaube, where experience in Sales and Marketing provided valuable insight into hotel operations. The positive work environment and organizational culture made the learning experience especially memorable.

Future career aspirations include exploring opportunities with global brands such as Hilton Hotels & Resorts and Accor

Adityaraj Patil

AISSMS College of Hotel Management and Catering Technology

Adityaraj Patil is a dedicated student whose journey has been marked by continuous learning and professional growth. He completed his industrial training at The St. Regis Le Morne Resort, where he gained hands-on experience in the Food & Beverage and Kitchen departments, strengthening his understanding of global hospitality standards.

He aspires to work with renowned brands such as JW Marriott and St. Regis Hotels & Resorts. Recognized for his teamwork and excellence in the Udaan Competition, Adityaraj's professionalism and positive attitude strongly shape his career aspirations

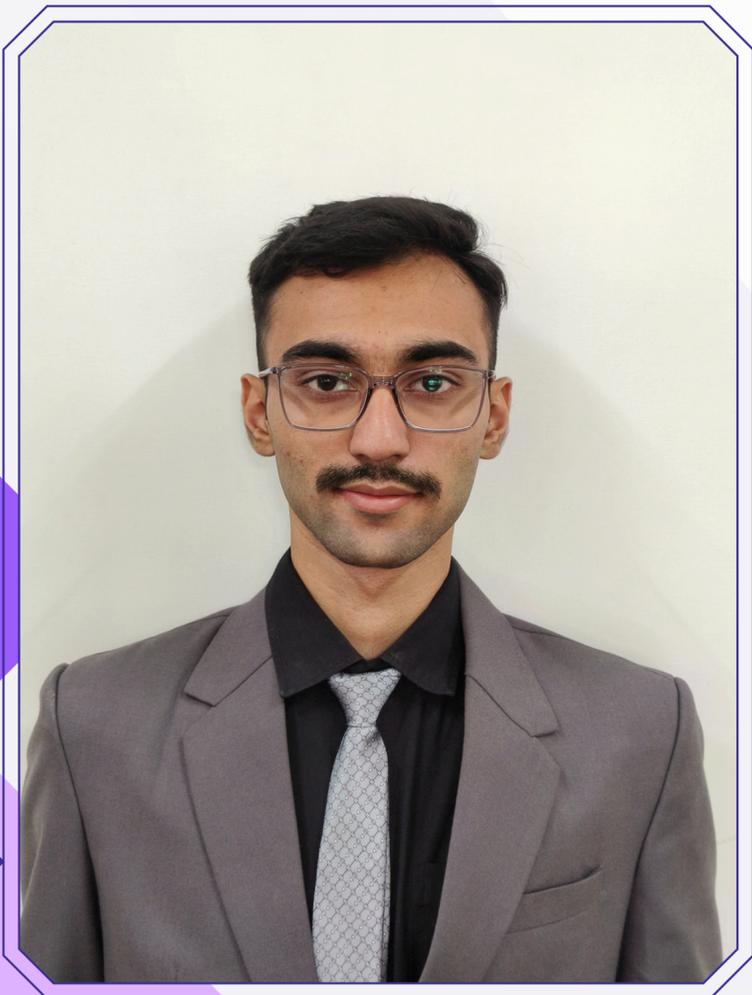

Sanket Ashok Sonawane

AISSMS College of Hotel Management and Catering Technology

Sanket Ashok Sonawane is known for his positive attitude and discipline. He describes his college life as one of the most enriching phases of his journey, where theory and practical learning blended seamlessly. His industrial training at Malaka Spice provided hands-on experience in food and beverage service, bar operations, and front office management.

He aspires to work with esteemed brands such as The Oberoi Group, Taj Hotels, and Hilton Hotels & Resorts. Sanket believes that consistency and humility are essential for long-term success in the hospitality industry

Sujal Kapoor

AISSMS College of Hotel Management and Catering Technology

Sujal Kapoor is a passionate student who has effectively combined theoretical knowledge with practical training across key hospitality departments. He completed his five-month industrial training at Taj Cidade de Goa, gaining valuable exposure to luxury hotel operations.

He aims to build his career with esteemed brands such as Indian Hotels Company Limited, ITC Hotels, Marriott International, and The Ritz-Carlton Yacht Collection. His professional demeanor and strong problem-solving skills distinguish him in the hospitality industry

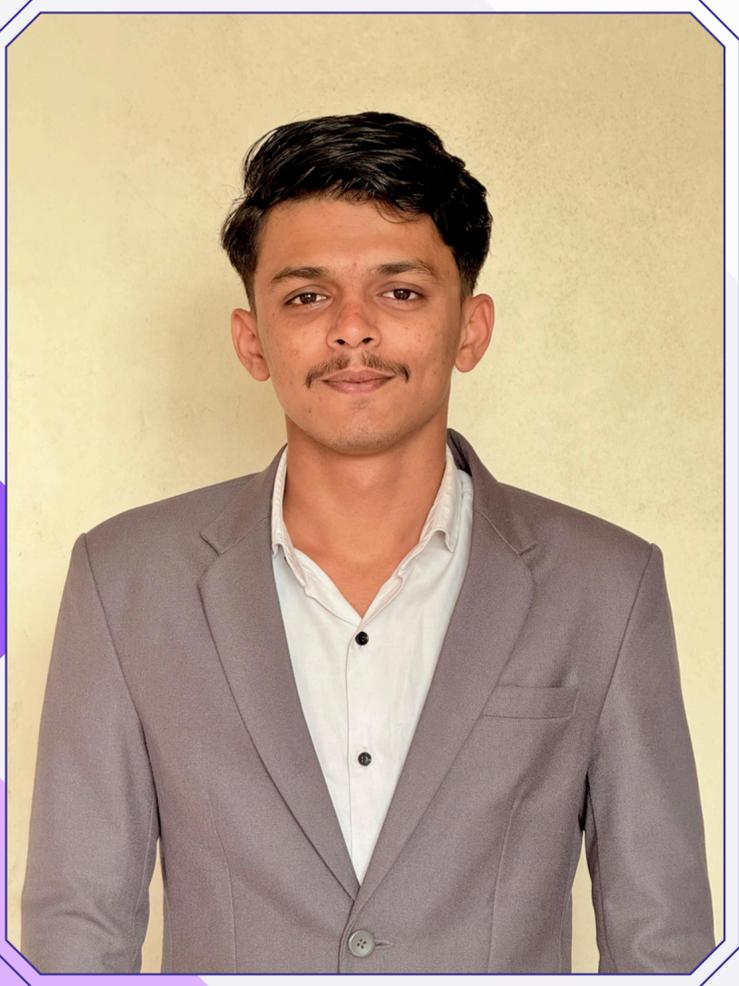

Anurag Pandit

AISSMS College of Hotel Management and Catering Technology

Anurag Pandit describes the past 2–3 years at his college, Pune, as a valuable learning experience where he gained new skills, built strong friendships, and networked with industry professionals. He completed his industrial training at Sofitel Dubai Jumeirah Beach, working in the Food & Beverage Service and Sales & Marketing departments, which enhanced his understanding of global hospitality operations.

A special achievement in his journey was attending a selective internship with The Tamara Leisure Experiences. After graduation, Anurag aspires to begin his career with reputed brands such as The Oberoi Group, Marriott International, and Taj Hotels.

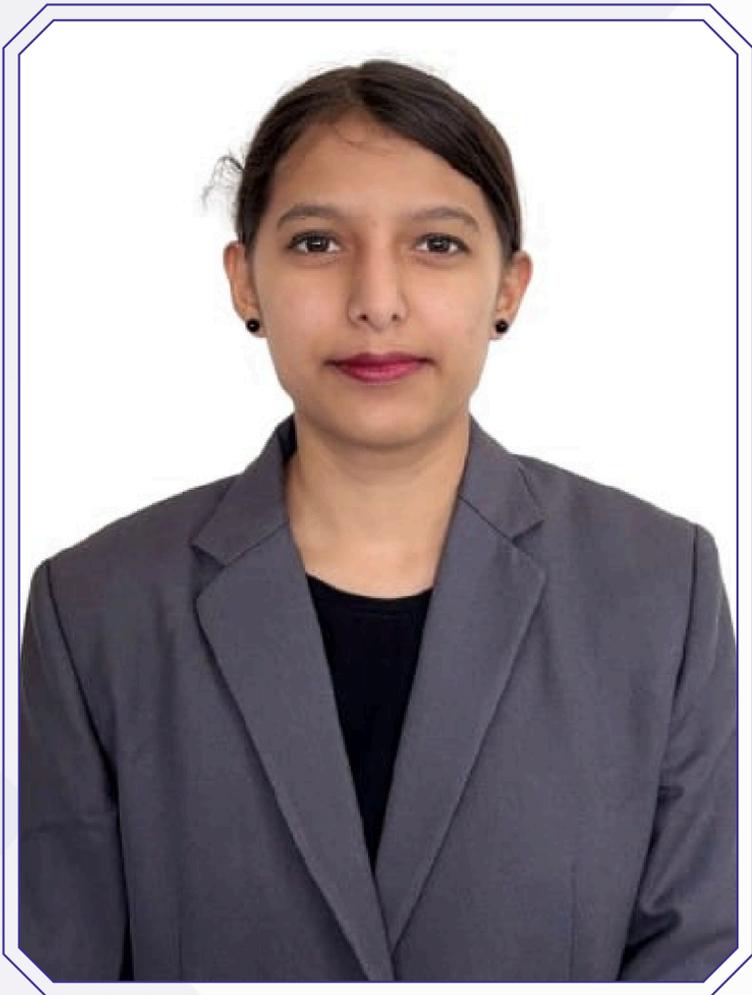

Prasad Shankar Late

AISSMS College of Hotel Management and Catering Technology

Prasad Shankar Late describes his college life as a period of immense learning and self-development. He completed his industrial training at Taj Holiday Village Resort & Spa, where he gained experience across all four core departments, developing skills in guest interaction, teamwork, and problem-solving.

He aspires to build his career with leading brands such as Taj Hotels, ITC Hotels, Marriott International, Four Seasons Hotels and Resorts, and Hyatt. His discipline and enthusiasm make him well suited for a successful career in the hospitality industry

Datar Gargee Mahendra

AISSMS College of Hotel Management and Catering Technology

Datar Gargee Mahendra describes her college life as an enlightening journey marked by creativity, discipline, and continuous learning. Through her academic and practical training, she developed strong hospitality skills and a refined sense of professionalism. She completed her internship at The Oberoi Mumbai, where she learned the importance of precision, elegance, and attention to detail in guest service.

She aspires to build her career with The Oberoi Group and later pursue a master's degree in hospitality management. Her professionalism and passion for guest satisfaction make her stand out in every interaction

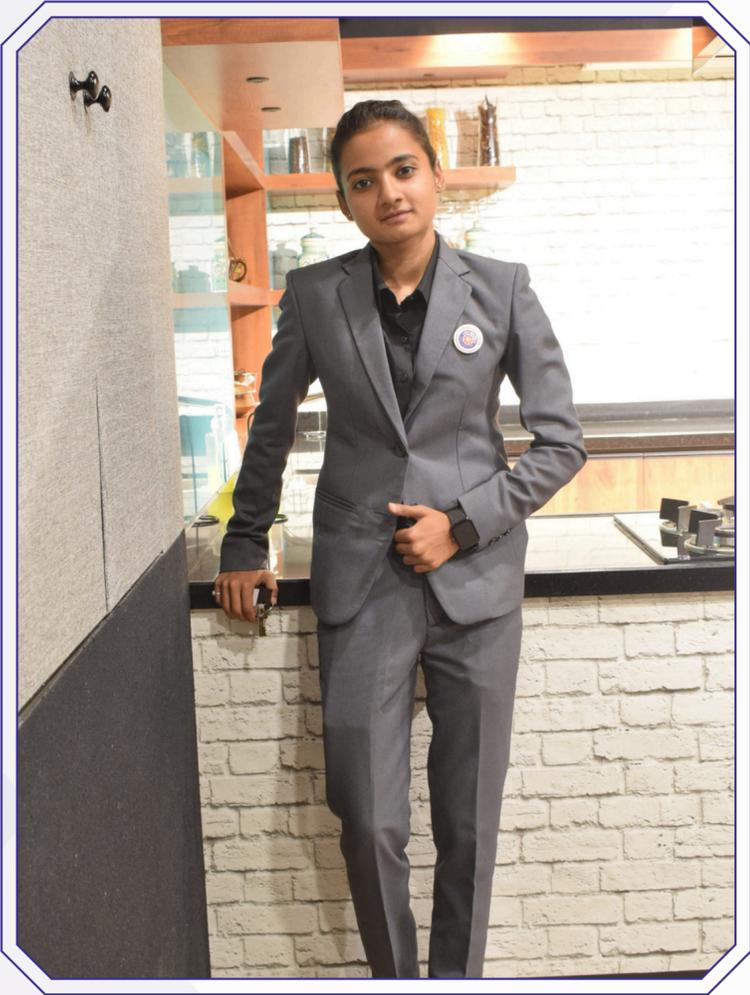

Radhika Vinay Bhake

AISSMS College of Hotel Management and Catering Technology, Pune

Radhika Vinay Bhake describes her journey as transformative and empowering. She credits the college and her mentors for shaping her confidence and professionalism. Her internship at Taj Lake Palace, Udaipur, was a turning point, helping her overcome shyness and build strong communication skills.

Radhika aspires to work with the Taj Group of Hotels to gain valuable industry experience before starting her own café. She values teamwork, perseverance, and continuous learning, qualities refined through college events like Atithya. Her entrepreneurial mindset and dedication reflect a genuine passion for hospitality.

Arbina Shaikh

AISSMS College of Hotel Management and Catering Technology

Arbina Shaikh's college journey helped her develop patience, leadership, and adaptability. She completed her industrial training at ITC Maratha, gaining hands-on experience in Food & Beverage Service and Banquets, and a clear understanding of professional hotel operations.

A proud moment for her was receiving appreciation from her manager and being offered a job based on her performance. She aspires to work with Marriott International or Taj Hotels, with a keen interest in the Front Office department. Her friendly nature and dedication to quality service define her work ethic

Jyotiraditya Fattesinh Sawant

AISSMS College of Hotel Management and Catering Technology

Jyotiraditya Fattesinh Sawant is a motivated student who values discipline and continuous learning. His college journey has helped him strengthen his interpersonal, communication, and organizational skills through academic and practical training. He completed his industrial training with the Taj Hotels, where he gained hands-on experience in the Food & Beverage Service department and developed a strong understanding of guest service standards.

He aspires to build his career with Taj Hotels and Marriott International before eventually venturing into hospitality entrepreneurship. Jyotiraditya believes that success comes from passion, humility, and precision in service

Drishya Mohan

My four-year journey at AISSMS College of Hotel Management and Catering Technology has been a powerful phase of personal and professional transformation. The rigorous training, exposure, and mentorship shaped my interest in the corporate side of hospitality—particularly Marketing, Sales, Revenue Strategy, and Marketing Communications. During my industrial training at Taj Krishna, I gained strong exposure across departments, with focused learning in Sales and Marketing that deepened my understanding of commercial operations and strategic networking.

I aspire to build my career with leading luxury groups such as The Oberoi Group, Marriott International, Four Seasons Hotels and Resorts, and Accor, contributing to Revenue Strategy and Commercial Sales within dynamic global environments.

Vedant Sujit Kale

*AISSMS College of Hotel Management and Catering Technology
Vedant Sujit Kale describes his academic journey as a valuable blend of learning and personal growth. He completed his industrial training in Mauritius, where he gained exposure to multiple departments and real-world hotel operations, strengthening his practical understanding of hospitality. Vedant plans to explore entrepreneurship or roles in sales and related industry sectors, combining hospitality principles with business strategy. His adaptability and innovative mindset make him a versatile professional prepared for diverse challenges.*
